

Why work with a YORK® Certified Comfort Expert™

Always look for a contractor with the YORK® Certified Comfort Expert™ (CCE) designation. It means you're working with the best in the business, backed by our satisfaction guarantee.

Here's what we ensure as a YORK® CCE Contractor:

Quality products every time

We install products with proven standards in quality, innovation and energy efficiency. All our products undergo rigorous testing and as a result, many YORK air conditioners, heat pumps and furnaces have achieved the ENERGY STAR® label.

Quality installation every time

We guarantee impeccable installation so you can experience:

Enhanced energy efficiency which leads to lower utility bills

Fewer breakdowns and much greater lifespan

Even temperature distribution for the same comfort in every room of your home

Your satisfaction is our priority

We take great pride in delivering excellent customer service through our 100% Satisfaction Guarantee, ensuring that you are completely satisfied with your experience.

We know that purchasing a new HVAC system is a big decision. That's why we have a team of CCE-designated experts ready to offer advice on YORK equipment. We'll always go above and beyond to help you get the best performance out of your home comfort system.
